

Apartment Options

Two apartment floor plan options are available: a one-bedroom or a studio. Each apartment is warmly decorated with basic window treatments. Tenants are able to furnish their own apartment, which helps complete the home-like environment. Other features include:

- Kitchenettes with refrigerator and microwave (some handicap accessible kitchenettes available)
- Private bathroom with handicap accessible shower
- Easy-to-operate emergency call service
- Individually controlled heating and air conditioning

Studio Apartment
322 square feet

One-bedroom apartment
418 square feet

"The friendly, family-like atmosphere impresses me the most about The Heritage. From dining to activities, tenants renew old friendships and start new ones. Our attentive staff even maintains a list of preferences to ensure personalized care for each of our tenants. The Heritage is truly a beautiful place to enjoy carefree living."

home-like atmosphere*

About The Heritage

The Heritage on Merrill Avenue offers a warm and inviting atmosphere, charming décor and a friendly staff. It offers a lifestyle alternative to people that are in need of assistance with daily living activities.

The facility was designed to ensure personal comfort and safety. In fact, an emergency call system provides safety while maintaining privacy for our tenants. The facility is also staffed 24 hours a day, providing assistance at all times to tenants in need.

Amenities & Services

- Licensed, professional staff available 24 hours a day
- Three home-cooked meals each day prepared in a full-service kitchen and served in the dining room
- Housekeeping and linen services
- Assistance with self-medication, bathing or dressing
- Assistance with activities of daily living
- Assistance with provisions for local transportation
- Group and individual recreation and social activities
- Security access into facility after office hours
- Emergency call system in each apartment answered by on-site staff
- Smoke-free environment
- Beauty shop
- Access to health care professionals for additional services if needed

Our Commitment

Our focus is, first and foremost, on our tenants. We are committed to providing superior care and excellent service for each of our tenants. It is our priority to give each of our tenants the highest quality of care, while helping them to maintain their independence as much as possible.
